Professional Summary

UX/UI Designer and Design Engineer in career transition, with 10 years of experience in Graphic Design and Digital Marketing. Solid experience in information architecture, high-fidelity prototyping (Figma, Framer), and UX methodologies. Proficient in applying AI-Assisted Design and vibecoding, orchestrating AI agents (Codex, Antigravity, Claude Code) integrated via Figma MCP and Framer MCP. Focus on automating interface reading to accelerate UI-to-code conversion, reducing friction in handoff to development. Intermediate level of English.

Skills

- UX & Research: Design Thinking, UX Research, Heuristics, User Journey, Information Architecture.
- Design & Prototyping: Figma, Framer (Advanced Prototyping), Wireframing, Design System, Advanced UI, Mobile, Web.
- Design Engineering & AI: Vibecoding, AI Agents (Codex, Antigravity, Claude Code), Integração MCP (Figma MCP, Framer MCP), Design-to-Code Automation, Prompt Engineering.
- Languages: English (Intermediate Level), Spanish (Elementary).

Professional Experience

- **UX/UI Designer (Freelance / Volunteer) | Apr 2022 – Present**

Leadership and practical experience in research, workflows, and prototyping of web and mobile applications, including a real-world project for a real-time mobile security solution with a geolocation system.

- **Guaranteed Health | Marketing Assistant | Nov 2020 – Feb 2022**

Design of landing pages for e-commerce focused on increasing conversion rates, in addition to visual management and traffic campaign metrics.

- **Online Footwear | Marketing Assistant III | Jan 2019 – Mar 2020**

Optimizing interfaces on the VTEX platform and cross-referencing sales data to guide the design of affiliate campaigns and push notifications.

- **Certo Distribuição | Graphic Designer | Jan 2016 – Jan 2018**

I was involved in the creative process, actively participating in the development and ideation of campaigns. I created digital and print graphic pieces, ensuring visual consistency of the brand across all customer touchpoints.

Academic Background

- Bachelor's Degree in Advertising and Marketing – UniCesumar (Completed - Dec 2025).
- UX/UI Technician – Origamid (Completed - Feb 2024).
